Sending Mexican Refugees to Eagle Pass.

Mexican federal prisoners at Fort Wingate may be sent to Eagle Pass for deportation to Marico, instead of being brought to El Paso. Railroad representatives in El Paso have been asked for estimates on the moving of the Mexican prisoners from Fort Wingate, N. M., through El Paso to Engle Pass. No reason is known for taking No reason is known for taking prisoners to Eagle Pass and nothing in known of the proposed movement of the altricens by the army offers. The war, state and immigration departments have been considering the liberation of these prisoners or Carranza took control of the sican government. An immigration pector was sent to Fort Wingate make an inspection of the aliens, the was recalled when no definite tructions were received from Washion regarding the deportation of federal prisoners.

ZAPATA'S HOSTILITY

Washington, D. C., Sept. 8.—Official dispatches today telling of cutting of Marico City's water supply for three days, presumably by Zapatiats bands, concerned administration officials because they reflected the relentiess activity of the southern leader, following the recent parleys with Caranas representations. It was considered practically certain that if Caranas and Villa unite in forming a strong central government, recognition by the United States will follow.

# TYPICAL SCENES IN A FRENCH CAMP

These photographs show (at the left) a scene in the French camp following a hard day's fighting; (at the right) an officer having a slig on the field by an army surgeon. In the camp picture the soldiers are seen writing to their families and cating bits of food given them by the peasants. Most of the fighting men are writing to their families every day in the hope that one letter out of ten will reach their loved ones.

Ones Gather First Day.

> was a perfect keleidescope of children.
> They began to arrive early and were of all sizes, ages and many nationalities.
> There were little girls with spic and span white frocks, their hair in ribbons like a circus day in a village. There and curls, and others with gingham FACTIONS TO CONSIDER aprens and hair in pigtalls. Some of arms and marched up like Daniel Webstern, while others had their pockets stern, while others had their pockets bulging with murbles and looked as though they led never heard of Daniel and never wanted to. Some of the youngsters showed an excerness to enter and become arquainted with their new touchers, while others seemed to wish that teachers were all an unknown quantity. There is always a rush the first day of school to find just which seat is to be occupied and little Mary Jones wonders if she will be lucky enough to draw that seat she coveled all last year.
